

Human Disease & Disorder Presentation

Disease / Disorder: _____

Prepared to present at the designated time? _____ (1 mark)

Visual component provided to me prior to class (i.e. the night before)? _____ (1 mark)

Timing (/2)

- Less than 2 minutes (1 mark)
- 2 – 3 minutes (2 marks)
- More than 3 minutes (1 mark)

Visual Component (/3)

- Did not have any visuals (0 marks)
- Visuals were present but did not refer to them (1 mark)
- Visuals were referred to but did not enhance the presentation (i.e. read directly from) (2 marks)
- Visuals were informative and added interest to the presentation (3 marks)
- Above and beyond, providing visuals that really helped understand the disease or disorder (**bonus** mark)

Speech (/3)

- Very little content was covered (1 mark)
- Too technical or covered information that would not be of general interest to the class (2 marks)
- Content was presented at an appropriate level for understanding and interest (3 marks)
- Completed the 3 mark level plus conveyed a true connection to the chosen topic (**bonus** mark)
